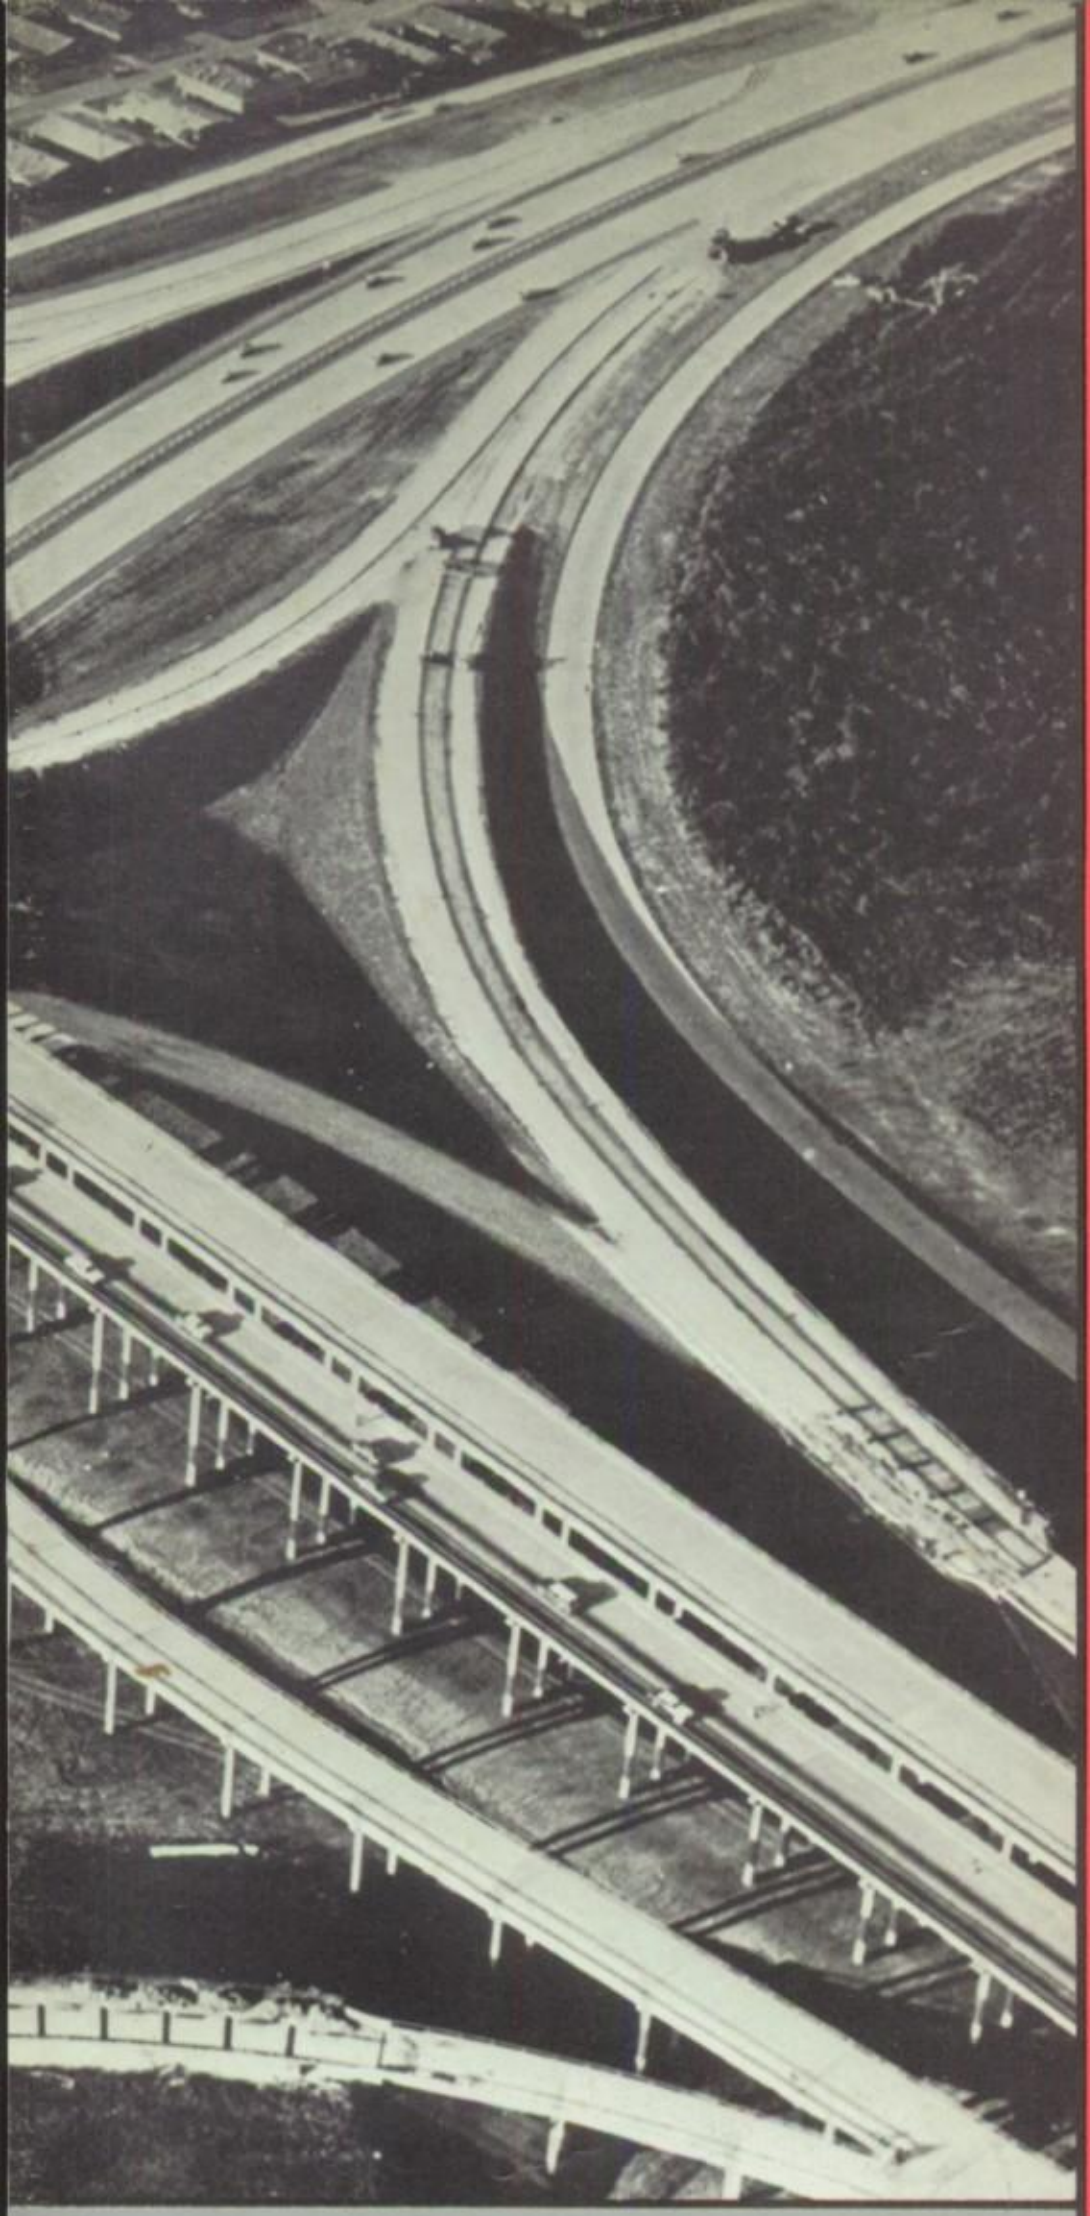
Which Path To



Follow?

Prologue

The road of life must be followed just as you would follow a highway. Along the way, you, the driver, become aware of its complexity by the various speeds, byways, underpasses, construction work, and, finally, detours and alternate routes. Signposts must be followed and obeyed willingly in order to reach the established destination. Although a detour is usually unpleasant, winding, and narrow, it may be your true path to success. Know your destination; keep it firmly in mind; accept no substitutes; react positively to the signals along the way; pick up speed wherever you can; slow down at the danger points; and, one day, you will arrive. Following the right way leads to a successful, and happy life. Above all, as you travel along, have faith—faith in yourself, faith in your country, and most important, faith in God.

Editor's Message

Ellen Frazier, Editor-in-Chief

With the Psalmist "my cup runneth over" so abundantly have you all given of yourselves to make these three years the greatest of my life. To Mr. Cotton and the administrators go my heartfelt thanks for their assistance in adjusting me to new surroundings and new ways of living. To the teachers goes my gratitude for their care and patience in assisting me along the roads of learning. To my fellow-students, thanks so very much for just being you. I could ask for no better companions and friends for the rest of my life. You are the best!

Dedication

The ARIES staff, as representatives of the Class of 1967, hereby dedicates our yearbook to two lovely ladies in the offices of Waltrip High School.

Mrs. Etha Jewel Hale, our Registrar, is responsible for public relations with both the colleges and industry. Moreover, she is a friend to faculty as well as students. Both as a Registrar and as a loyal Houstonian she is involved in many civic affairs. Deeply religious and an ardent church-goer, Mrs. Hale always can find a special verse whenever you need inspiration and moral uplift.

Mrs. Gladys E. Winship, Secretary to Principal Gordon Cotton, is a capable assistant to our administrator. Truly, Waltrip would be lost without her. She is the invisible force behind class programs, arrangements for substitute teachers, mail delivery, and announcements of meetings. Furthermore, she smooths the way for return of lost lunches and gym suits, and for those all important conferences between parents and teachers. She, too, is a practicing Christian with an abiding faith in the effectiveness of ethical principles in school, home, and community.

In three years, we have learned to love and appreciate both these fine women as friends and fellow-workers. They have our gratitude now and will abide forever in a very special place in our hearts.

Administration

The first step in the praparation which life will demand of you is to establish peace, each within your own soul; for the man at peace with himself is at peace with all men. Here at Waltrip you are learning to prepare yourself for the future by your academic preparation and by being a part of the extracurricular program. I sincerely hope you are doing your best because the future belongs to those who are willing to work and accept responsibility.

I hope that the spirit you are showing here at Waltrip will continue to follow you the rest of your life.

Success is a relative thing measured, not by how much money you earn, but by how much happiness you give.

Gordon Cotton

Gordon M. Cotton, Principal

As graduation day approaches for many of you, the future begins to become a reality. Those plans that were once a dream come to the front. Your future happens but once; be sure you meet it head-on with intelligence, aggressiveness, patience, and honesty. We are proud to have been a part of your planning. Good luck and come back to visit.,

Robert V. Burch, Jr.
Assistant Principal

Dear Graduates,

The long looked for time has come—you are now graduating from Waltrip Senior High, and you have had a good beginning. I say beginning, for now you will go on in your own various ways and different directions. In which direction will you go—what road will you take? College possibly, Junior College, further job training, a job, or, there are many other possibilities.

May you make these necessary decisions at this time in your best judgment, and, I hope that you will strive hard to be the best in your chosen field. To be the success you want to be, it is necessary that you pursue your chosen course enthusiastically and with devotion.

The best of it all to you.

Bernice B. Hale

Mrs. Bernice B. Gale, Dean

To you who are young and trying to see the future before you—take courage, have faith, believe in the future. Live and work and watch and wait and pursue life prayerfully, repentantly, purposefully. But even when you come to the end of your own resources, there is a never failing source of strength and peace in our Father who is in heaven and in His Son, our Savior, the Prince of Peace.

"Casting all your care upon Him; for He careth for you."
1 Peter 5:7.

Currently the English department is spending more time in the study of literature, even in the grammar courses. Since much college writing is based on reading, those in the department are trying to improve writing standards in the form, content, and organization of themes.

Students in the English department are encouraged to enter essay contests, such as those sponsored by the Radcliffe Club and the Samuel Sorrell and Ann Poage Chapters of the D.A.R. Those students displaying outstanding writing skills may have their writing evaluated by the N.C.T.E.

Science Department Adds Major Works in Chemistry

The well-rounded science program at Waltrip today shows the results of six years of vigorous growth. Not only has the faculty been enlarged, but the facilities have been vastly improved.

Extra care has been taken this year to insure greater student safety; all students are now required to wear safety goggles during laboratory experiments.

A major works chemistry class has recently been added to provide greater challenge for exceptional students.

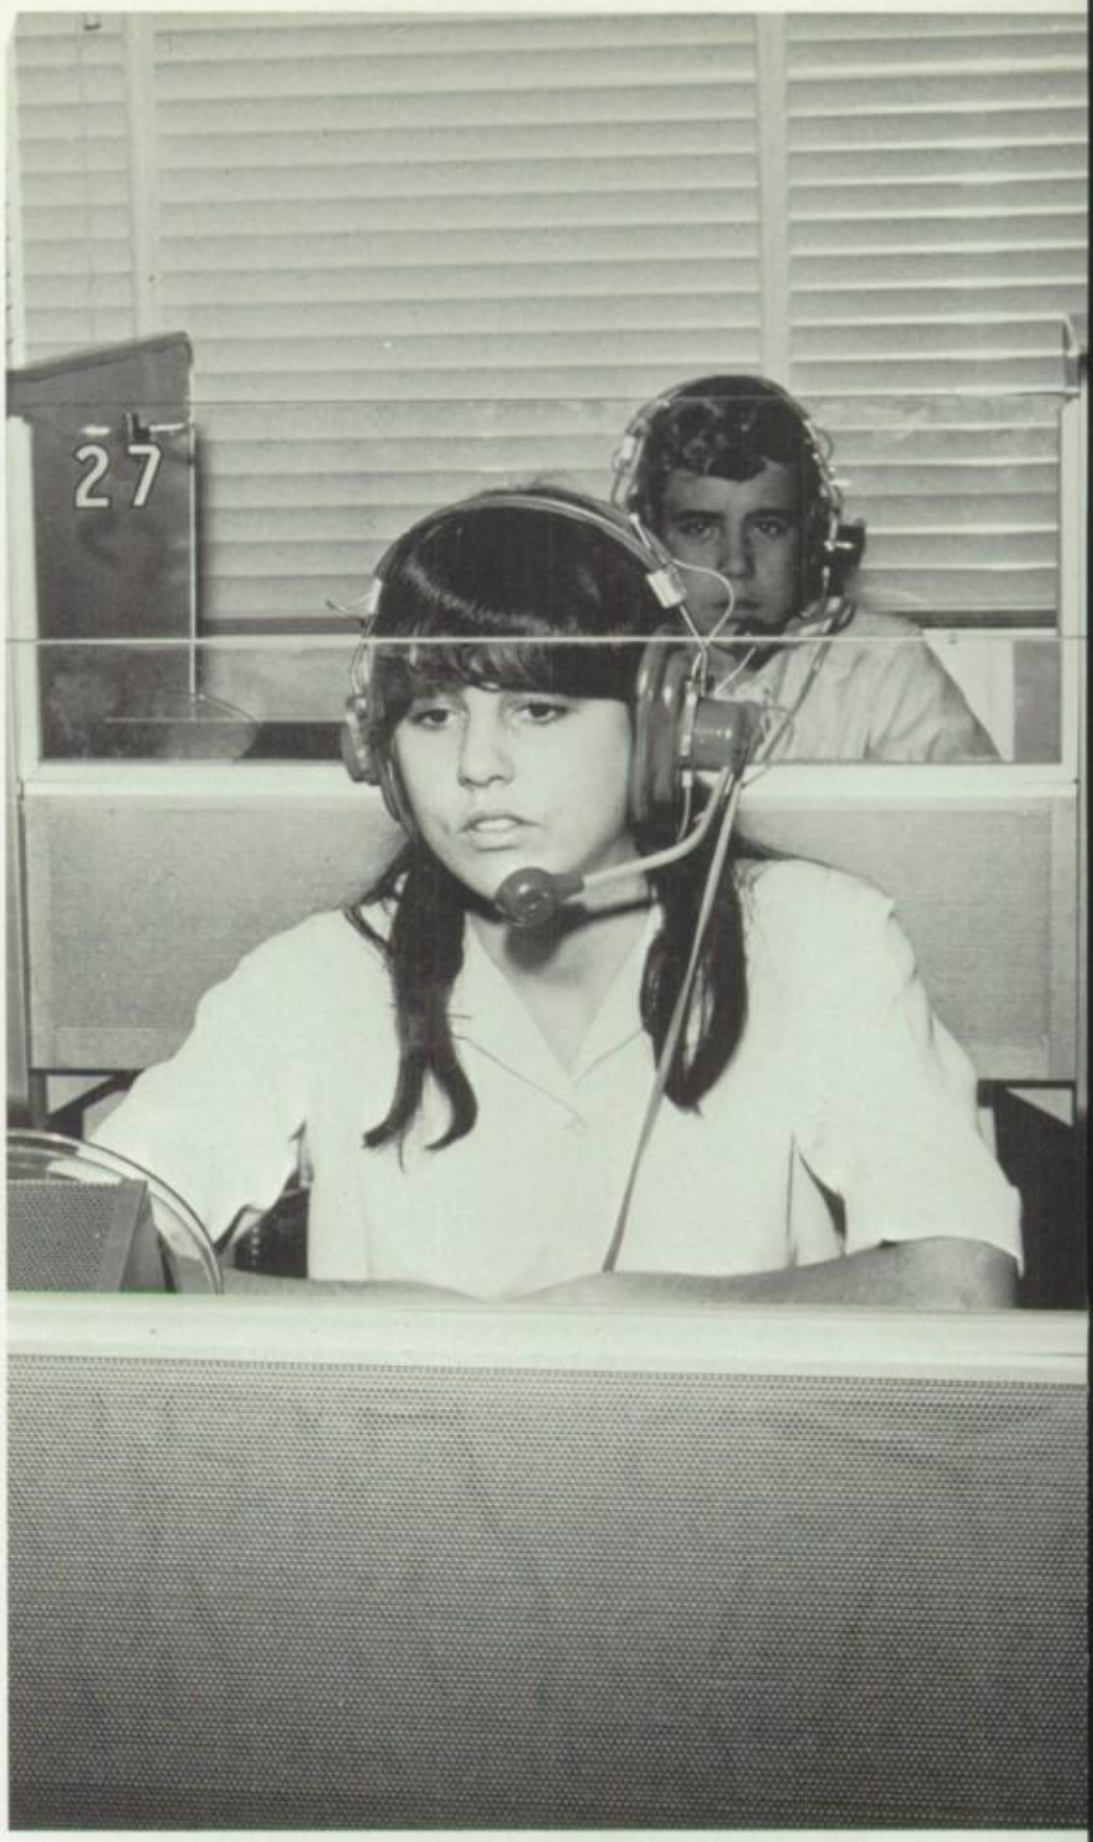
Language Lab Aids Students

"Languages are the pedigrees of nations."

—SAMUEL JOHNSON

Since Waltrip opened in 1960, the foreign language department has adopted a new teaching method—the audio-lingual approach in teaching all the modern languages. Textbooks geared to this approach are used, and there are tapes and records supplementing them.

A valuable aid in teaching the modern language is the language lab, which guides students in learning correct pronunciation and intonation.



Listening to German tapes are Lori Wegmann and Roy Mitchell.

In keeping with today's business world, the commercial department has added a six-weeks course of study on automated data processing to the secretarial training II classes.

In conjunction with the secretarial training classes, qualified members of the Future Secretaries Club are assigned as clerical assistants to teachers. Each week the assistant visits the teacher to receive clerical work which she does during regular class period. At the end of the semester, the teacher prepares a report on her assistant, which serves as part of her grade and also as basis for a reference.

In the social studies department this year, emphasis is being placed on interpretation of the Constitution, especially the Bill of Rights. During Bill of Rights Week (December 12-16), two speakers from the Texas Bill of Rights Foundation spoke to the department.

History classes have also been watching the stock market, taking losses or making profits on paper.

On November 8 all students in the department had their own election by straw vote, which was compared with the national results.

Home economics cultivates domestic skills.

At the beginning of last spring the homemaking department began a new vocational homemaking program. While the basic curriculum remains the same, there are more home projects and visits into the home.

Each teacher now works ten months instead of nine and teaches one adult class for 60 hours per year.

The addition of a third fulltime teacher and a new art room has allowed the art department to expand so that all interested students may now take an art course.

As well as growing in size, the department has also grown in new concepts. Four different techniques are used in making rugs, one of which is an invention of Waltrip students. A new medium being tried is instant papier mache.

As the whole school has grown and expanded, so has the music department. When the band first marched in 1961, it was a small group of 56 students. Today the band has passed the 100 mark. Also a full-time orchestra teacher, Mr. Martino, has joined the department.

In addition to his regular vocal classes, Mr. Blevins now teaches a music theory course for advanced students.

Some of the year's activities are the choir's part in the Christmas program, the band's production of "Soundtrack," and the band's performance at North Texas State College.

Since the opening of the first curtain on Waltrip's stage, many new pieces of equipment have been added to the speech department. The latest additions are the sky drop and the barn doors for the auditorium.

Students have the opportunity to participate in many interscholastic tournaments.

Among the many activities of the department this fall was the production of the musical "Pajama Game," a product of the efforts of both the drama classes and the music department.

Some of the activities of girls' physical education are swimming, basketball, archery, tennis, badminton, soft-ball, modern dance, health, and first-aid.

Speedball is a new sport for seniors. Volleyball is an old activity which has changed from eight players-two hits to six players-one hit.

The boys' physical education department strives not only to produce star athletic squads in football, basketball, baseball, track, swimming, golf, and tennis, but also to aid in the better physical development of each individual boy. Those who excel in regular classes are given ample opportunity to try out for interscholastic teams.

Welcome, New Teachers

As the school grows, so does the faculty. With the opening of the fall term of 1966, Waltrip's enrollment mounted to more than 2,100 scholastics. This increase was expected, and 13 new teachers joined the staff. Some came from local schools, while others began their teaching careers under Mr. Gordon Cotton, Waltrip's great administrator.

To quote the new group, "What could be finer than to teach in a superior high school in Texas!"

Look Forward
To Future Years
At Waltrip

Aries Salutes Waltrip's Sophomore Team

Kneeling, left to right: E. Dowlings, N. Nichols, B. Lyons, M. Newberry, S. Wentrcek, C. Kramer, L. Cockman. **Standing, left to right:** Coach Winship, J. Koehne, T. Lykke, J. Hooker, B. Jones, T. Parker, B. Thomas, J. Smith, M. D'Eramo, R. Johnson, R. Otto, S. Douglas.

Waltrip salutes its sophomore football team composed of eighteen members and the first sophomore football team ever formed at Waltrip. Last year a team was started, but was discontinued because of the few boys participating.

This year's team only had a three game schedule but during the rest of the season the boys substituted for the district champion Junior Varsity team.

Mr. David Winship, the latest addition to Waltrip's coaching staff, is the sophomore coach. Next year Mr. Winship and his fellow coaches plan to have another sophomore team with a full ten game schedule.

It is hoped that the fine standard set by these boys in their sportsmanship and playing ability will continue through the years in the future sophomore teams.

Who's Who

SINCE THE PUBLICATION of Waltrip's first yearbook in 1961, the WHO'S WHO section has appeared in each volume of the AIRES. Nominees for this recognition are selected by the chairmen and faculty members of each department. Honorees, chosen for both high scholarship and keen interest in a specific field, work diligently to merit this honor. Only seniors qualify for "WHO'S WHO" achievement.

Not only has the "Who's Who" nominee excelled in a study, but each has shown a marked enthusiasm for this field.

MATHEMATICS

Emil Michal

For doing major work in higher mathematics and achieving success in all courses . . .

"LEARNING is like mercury, one of the most powerful and excellent things in the world in skillful hands; in the unskillful, the most mischievous."

SCIENCE

Jeff Baker

For being curious enough to study those extra hours to acquire knowledge about the universe and to take all the science he could get and, of course, make high marks in his courses . . .

"ENTHUSIASM is reason gone mad to achieve a definite, rational objective."

ENGLISH

Kathy Lewis

For those high scores on language ability tests and outstanding performance in the competition sponsored by the National Council of Teachers of English . . .

"BOOKS, pictures ,and all the beauty of the world belong to those who love and understand them—not usually to those who possess them."

Mike Wright

For high achievement in social studies: history, civics, and economics . . .

"ENTHUSIASM is the vibrant thrill in your voice that sways the wills of others into harmony with your own."

WHATEVER WE PLAN, or whatever we do, whatever we give of our best, is meant to include all our fellow men too, and add to the joy of the rest."

DRAMA

Vicky Swayze

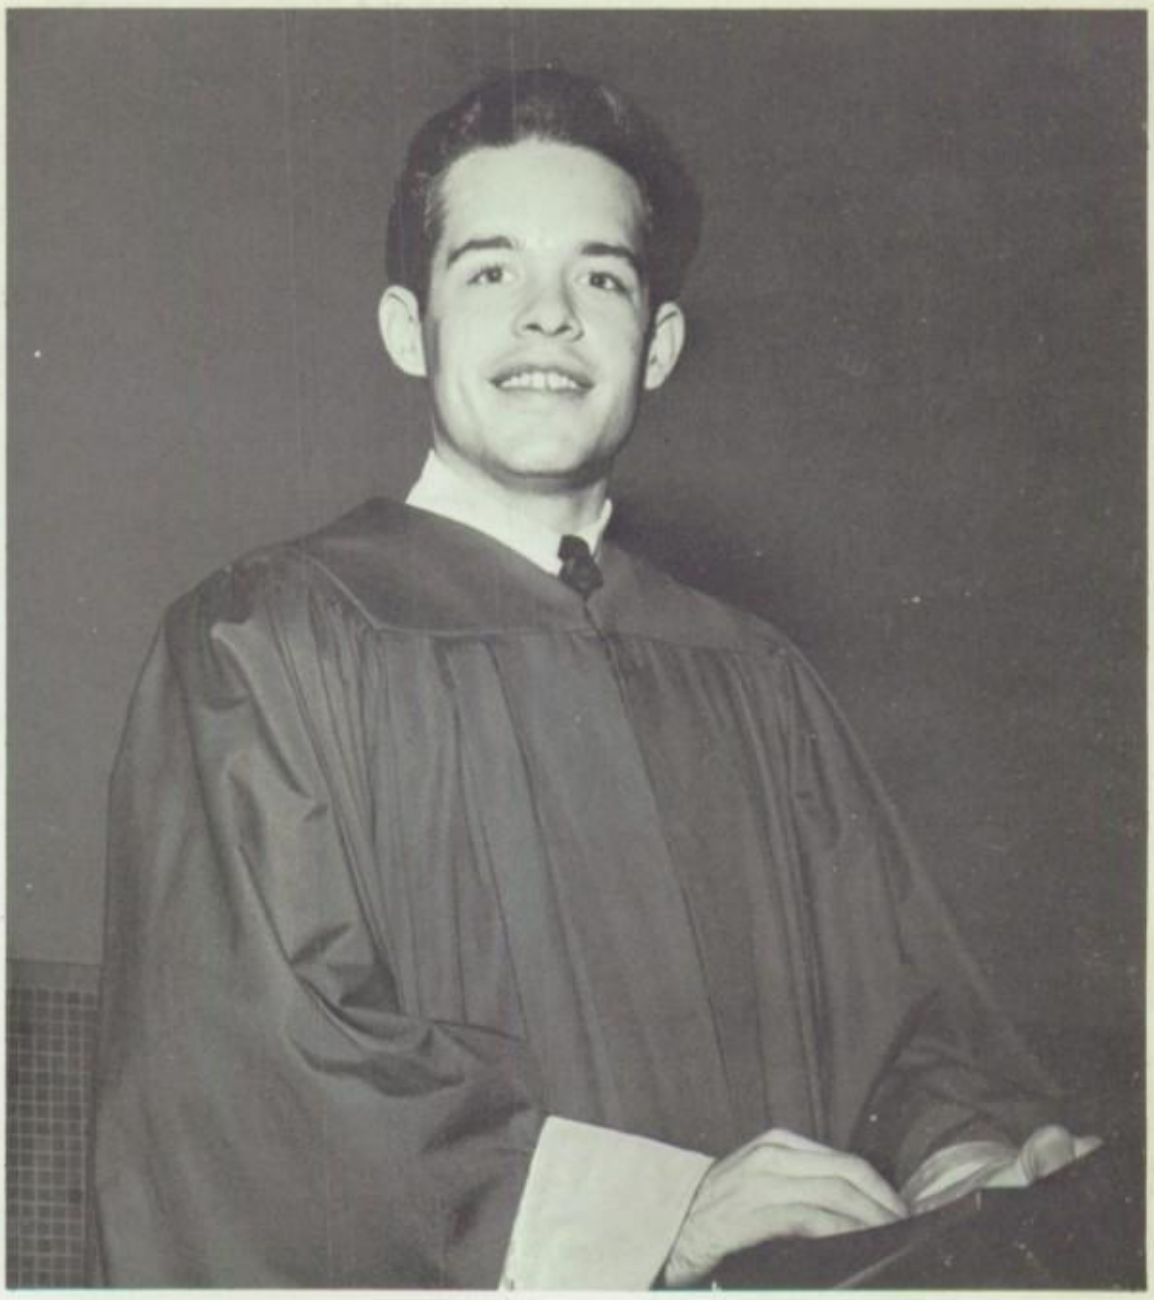
For participating in many Waltrip productions and winning many awards in various **Drama** tournaments . . .

Vicky plans to become a teacher of Drama.

VOCAL MUSIC

John Edwards

Because John has been active in choral music since he was in the seventh grade and a member of All-Regional choir for three years . . .



INSTRUMENTAL MUSIC

Stan Smith

For Stan has experience rarely matched by a high school student . . .

Playing in the All-City Orchestra 64-65, All-Regional Orchestra 65-66, and All-State Orchestra 66 are among his achievements. He was a member of the first division of the Interscholastic League Solo and Ensemble contest '66, and played in the All-City group at the opening of the Jones Hall of Performing Arts. His instrument is the clarinet.

HOME ECONOMICS

Melanie Walker

For being such an **enthusiastic** student of homemaking . . .

Melanie has excelled in all areas of this field: clothing, foods and home and family living. She has also been active in Future Homemakers Association.

ART

Susan Johnson

For having **artistic talent** of note . . .

Susan is the outstanding art student whose sketches have won art awards in all scholastic art competition.

JOURNALISM

Pat Cafferty and **John Taylor**

In 1966 Pat won first place in news writing in Interscholastic League regional competition and John took first in editorial writing in the state in the contest sponsored by Texas High School Press Association.

Both Pat and John have participated in JOURNALISM DAY activities in Houston and have attended many press conferences. Both plan to pursue journalistic careers.

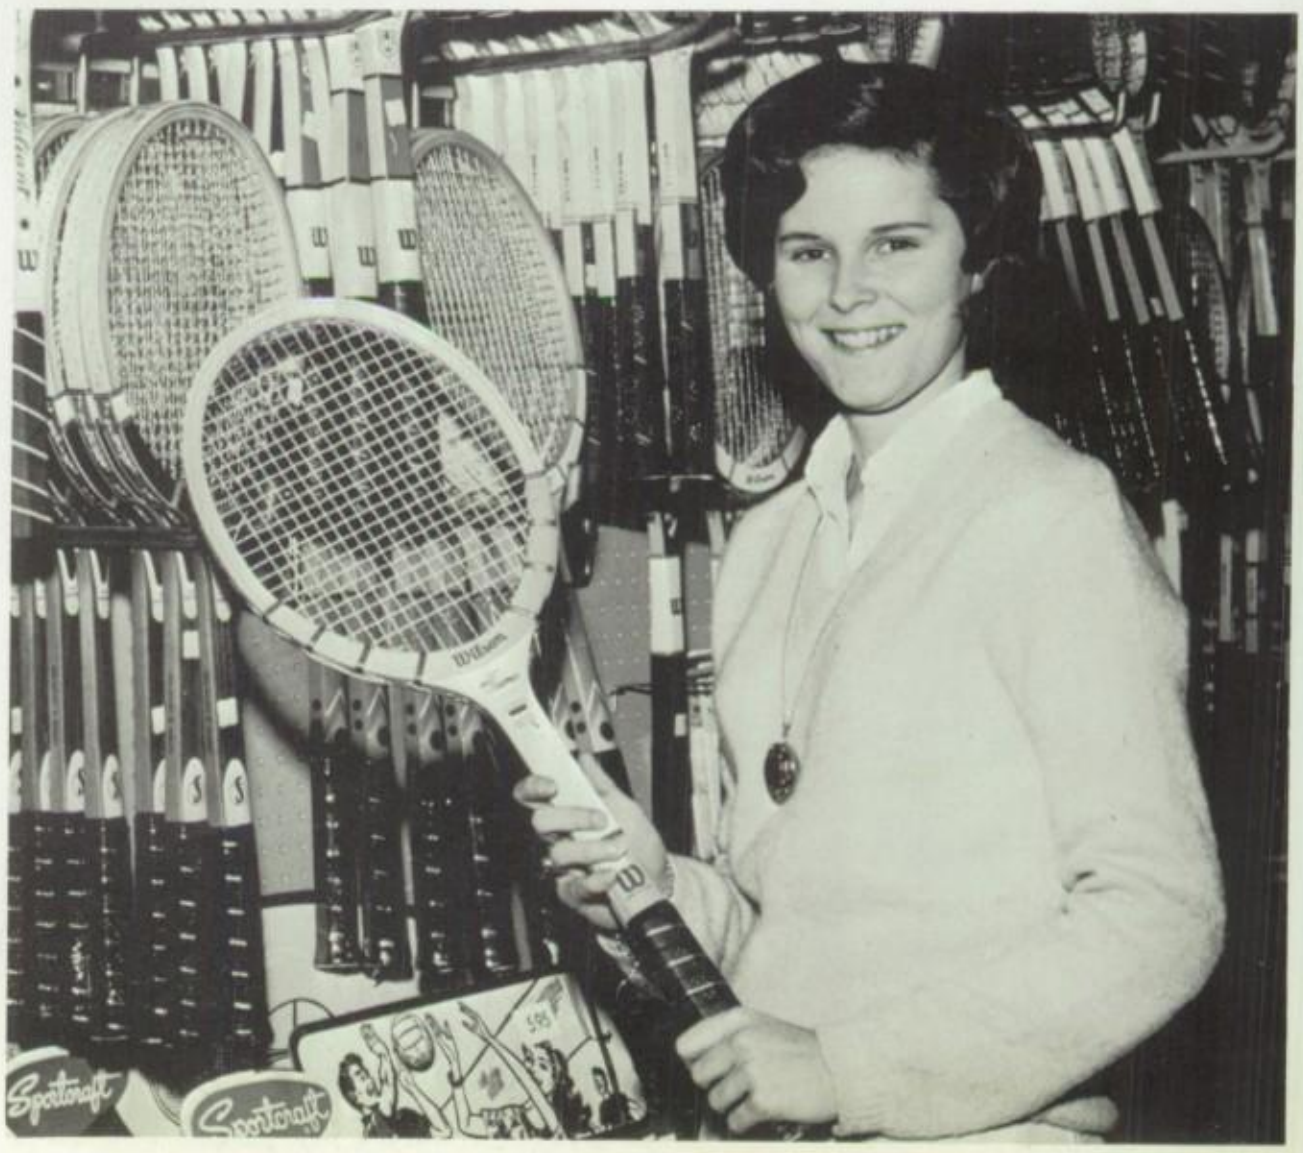
Linda is a member of both volleyball and tennis teams and has lettered in both. She was named "Most Valuable Player" and played on the winning intramural team.



N.D.C.C.

Wayne Moody

Because **Wayne** participates in all activities of army training and has been ranked superior . . .

His titles include: Battalion Commander Lt. Colonel, Commander of the Drill Team, and Captain of the Rifle Team . . .

He received a Superior Instructor's certificate in '66 and is a qualified marksman.

INDUSTRIAL ARTS

James Weber

For achieving the most in the Industrial Arts field . . .

"**ENTHUSIASM** is a magnet that draws kindred souls with irresistible force and electrifies them with the magnetism of its own resolves."

HOMECOMING QUEEN
Tina Reid

To recognize her subjects, to rule her kingdom, and to win the admiration of her public . . . these are the roles of any queen. However, being a Waltrip queen is quite unique.

Instead of recognizing her subjects, she is recognized by them. It is for this reason that she is elected queen. Rather than ruling her kingdom, she represents her kingdom (school) and observes the standards which it has set. Instead of trying to win the admiration of her public, the students, she inspires them to try to win her admiration and respect . . . simply because she is a queen.

Anyone who has an interest in Spanish customs and culture is welcome to join the Spanish Club. The Club meets every other Wednesday night in the homes of various members. This year the club has two new sponsors; Mr. Azios and Mrs. Murphy. Activities for the year are: a cake sale and a car wash, a fiesta, and maybe a trip to Mexico. During the meetings members listen to Spanish records, see movies, and play games that are related to the Spanish way of life.

All during the year, members of the Aries staff are busy recording the important events of the year. The students of the staff strive to preserve with words and pictures all of the memorable events of life at Waltrip. This is a time consuming and tedious job. These students devote much of their time outside of class to produce a good yearbook. The Staff's main aid is their sponsor, Mrs. Louise Early. She advises the students in every possible way. The students also learn about yearbook production by attending work shops at various colleges.

Belonging to an organization can be an experience you will never forget.

The importance of belonging to one or more clubs while in high school can not be stressed enough. A student can not feel like a part of his school until he spends some of his time outside of class working with his fellow students and his teachers. There are many rewards which come from joining a club. First is the feeling of belonging. Second is the feeling of contributing something to the school. Finally, is the feeling of learning to work with others. All of these valuable experiences can only be gained by joining a club. So if you failed to join a club this year, be sure to join one or more in the future.

Coaches 1966–1967

Joining Waltrip's athletic staff this year is Mr. David Winship. He has lived in Houston all his life and graduated as an All-City center from Reagan High School in 1959. Four of the coaches, Les Burton, Gene Agleton, Jesse Martin, and Jimmy Skaines, were members of Waltrip's original coaching staff. The group was completed when Allen Gilchrest came to Waltrip in 1963, and Gene Ritch in the spring of 1966.

Rams Roll To Best Season Ever

The 1966 Waltrip Rams will go down in history as one of the finest football teams ever to play in the city of Houston. The Rams finished the season with a 10-2 record, and the District 9-4A title. The Waltrip squad completely dominated all the city statistics and 5 Rams grabbed spots on the Chronicle all-district 9-4A and 7 were placed on the Post All-City team.

Frank Ditta was named most valuable lineman and he along with Jimmy Sheffield, Paul Boyle, Tim Duff, and David Yaege were included on both teams. Gary Armbrister and Harry Harwell were also named to the Post team.

Jimmy Sheffield led the city in passing and total offense, Yaege led in interceptions, and Gary Armbrister and Mark Williford were among the top rushers.

The Rams led the city in total offense and finished third in total defense. Their only losses came at the hands of two of the best teams in Texas. Galena Park nipped Waltrip 16-14 in the third game of the season and Spring Branch topped Waltrip 22-7 in Bi-District enroute to the state finals. The Rams ended the season ranked 7th in the state.

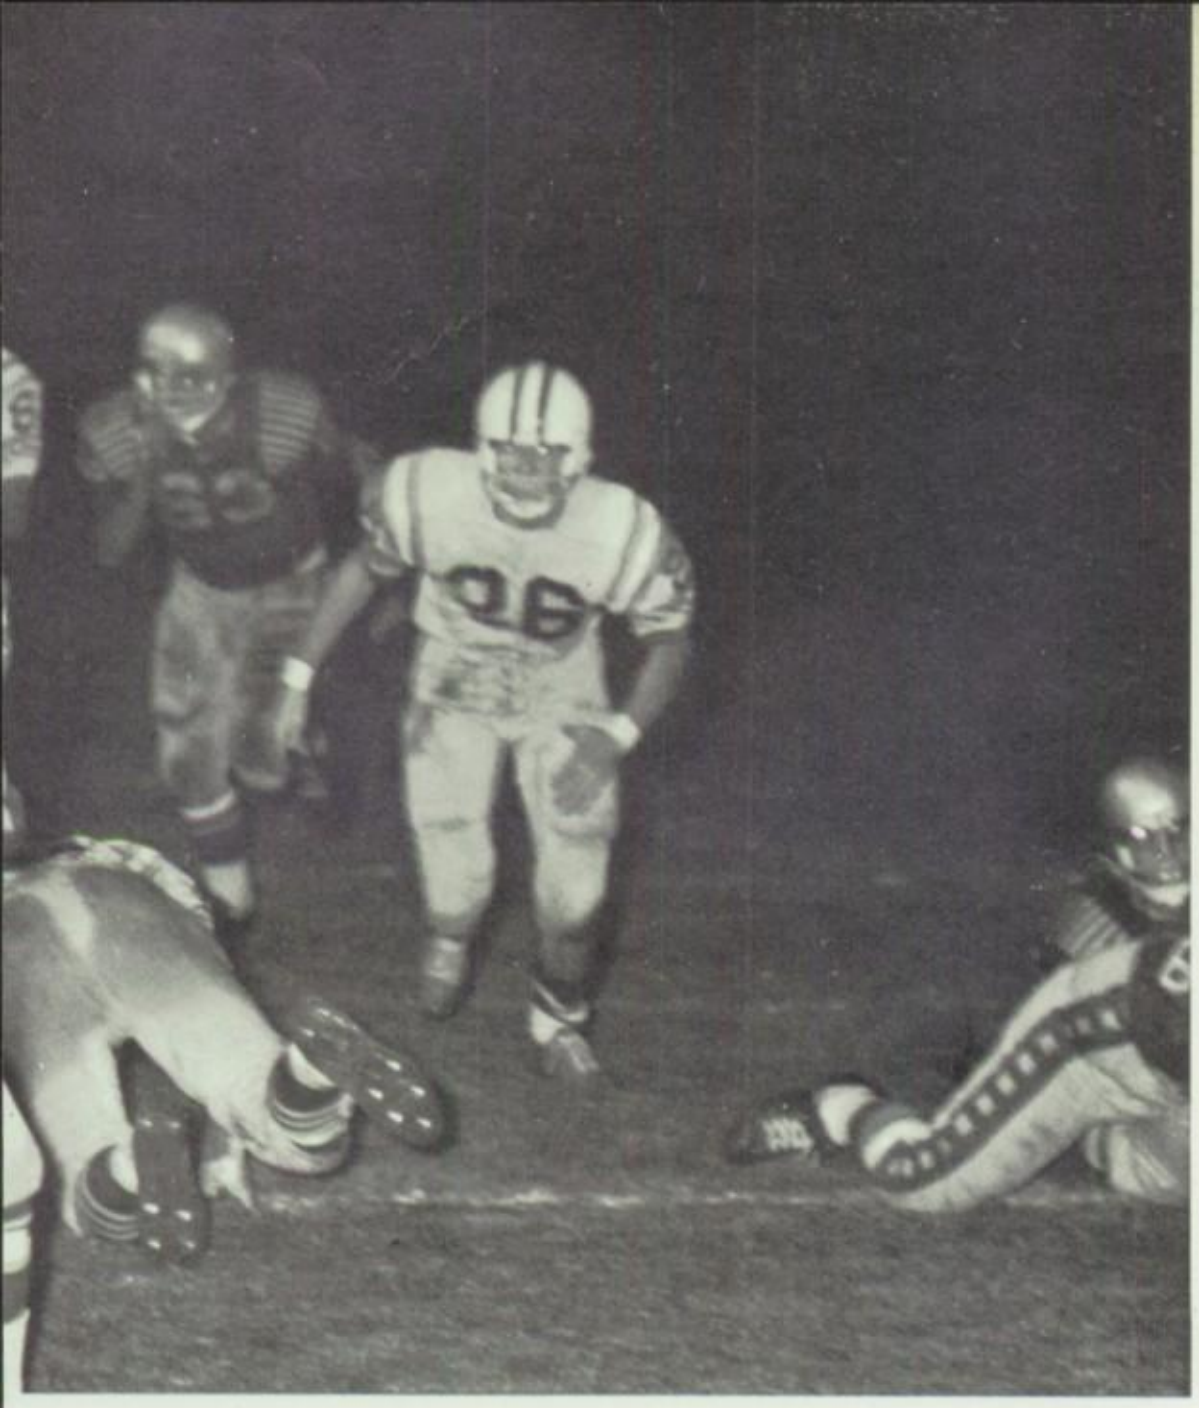
Yellow Jackets Sting Rams

Going into this game, the Rams were state-ranked and undefeated, but the Yellow Jackets changed all this as they slipped by Waltrip by a score of 16-14. The Rams started their first score on a Yellowjacket fumble recovered by David Yaege. Jimmy Sheffield wasted little time in getting the T.D., hitting Gary Doiron for a 36 yard touchdown on the very next play.

Coming back at halftime, Sheffield led Waltrip on a 60 yard drive for the score. The push was highlighted by runs of 14 and 26 yards by Armbrister and Williford. Sheffield ran over from the 3 and the Rams converted for 2 points giving Waltrip a 14-10 lead. But this lead did not last, and the Rams fell 16-14.

The Rams' stout defense was led by Paul Boyle, Richard Beil, and Richard Yaege, while Armbrister was the Rams' leading offensive rusher.



Waltrip Shuts Out Reagan, 9-0

Waltrip is still the king of the Heights area in football. The Rams defeated the Bulldogs for the fifth straight time in the seven year feud by blanking Reagan, 9-0.

Jimmy Sheffield completed 6 of 22 passes for 153 yards, and one touchdown. The Ram signal caller hit passes of 47 and 14 yards to Mark Williford and David Yaege. Here the drive stalled, and Coach Les Burton called on his "golden-toed" kicking specialist Harry Harwell who drilled home a 30 yard field goal to make the score 3-0 at halftime.

Sheffield came out throwing in the second half, completing a 54 yard strike to Gary Doiron for the game's only T.D. Some defensive standouts for Waltrip were Paul Boyle, Frank Ditta, and Charles Vento.

Waltrip Nips Tigers, 14–12

Waltrip, thanks to Richard Yaege's two game saving extra point conversions, eased by Sam Houston by a score of 14-12.

The Rams started strong, driving to the Sam Houston 21 where a fumble killed the march. The next time Waltrip touched the ball, they drove 77 yards for a T.D. Passes from Jimmy Sheffield to Gary Doiron and David Yaege highlighted the drive.

David Yaege set up the Rams next T.D. by intercepting a Tiger pass and returning it 40 yards to the Sam Houston 14. Sheffield completed the night's scoring by sprinting around right end, and giving the Rams the needed margin of victory.

Paul Boyle, Randy Davis, Jack Moore, and Harry Harwell were defensive standouts for Waltrip.

Sheffield threw T.D. passes to Armbrister, Yaege, and Doiron. Sheffield also scored on a 3 yard run, while Collins and Williford completed the night's scoring spree with runs of 34 and 36 yards.

Homecoming Brings Victory

With its 28-0 win over Lamar, Waltrip cinched themselves a spot in the city playoffs. Jimmy Sheffield started the game by firing 11 passes for 8 completions and 197 yards. Runs of 10 and 20 yards by Armbrister highlighted the push which ended with a touchdown scored by Armbrister over left guard.

Supported by the blocking of Drew Gay and Paul Boyle, Sheffield completed passes of 69 and 45 yards to jet back David Yaege. Both passes turned into eventual T.D.s with scoring runs by Sheffield and Williford.

Coming back at the half, Sheffield fired a 66 yard completion to Armbrister for the Rams' fourth touchdown. Armbrister capped off the night's scoring with a two point conversion over right tackle. The Rams' defense was led by Gary Doiron, Charles Vento, and Richard Beil.

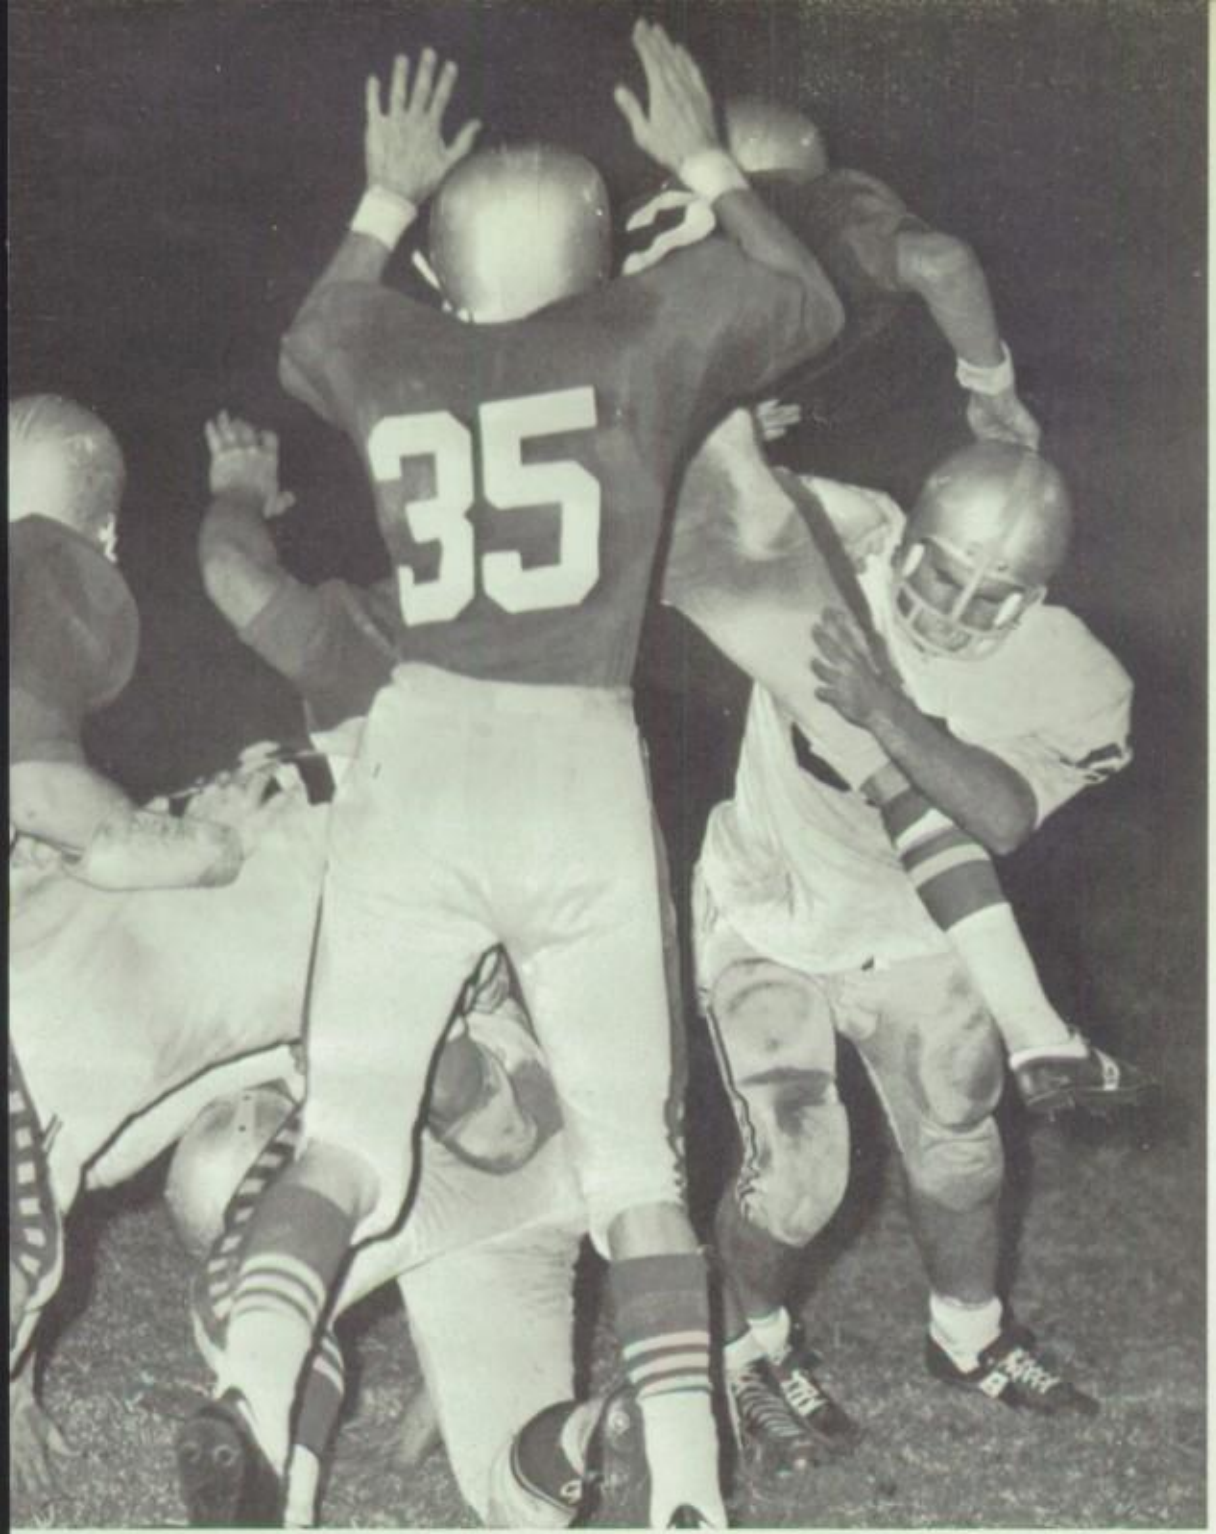
Rams Rip Bears 41-7

Waltrip closed out its final game of zone play with a 41-7 victory over San Jacinto. The Rams, taking advantage of an early fumble recovery by Paul Boyle, scored on the first play from scrimmage. Waltrip's scoring spree was led by Gary Armbrister who scored on runs of 3 and 48 yards. David Yaege, Richard Beil, Mark Williford and Jimmy Sheffield also scored on runs of 3, 2, 3, and 15 yards.

The stout Ram defense, led by Paul Boyle, Gary Doiron, and Harry Harwell held the Bears' explosive offense scoreless until the last quarter. The Rams also received great defensive play from Donald Redden as he recovered two fumbles giving the offense the ball on the 17 and 32 yard lines.



Rolling Rams Mangle Milby, 30-6

Waltrip's high scoring Rams readied themselves for the next week's city playoff by smashing Milby 30-6. A Milby fumble on the ten set up Waltrip's first T.D. It took Gary Armbrister, who chalked up 66 yards on 12 carries, to score.

Waltrip's next two tallies came from passes of 40 and 23 yards to Armbrister and D. Yaege. Sheffield came back in the second half with yard T.D. toss to Gary Doiron. Richard Yaege capped off the night's scoring with a 16 yard field goal with 3:38 left in the game.

Waltrip Grabs City Title, Blasts Bellaire 26-6

Waltrip grabbed its second city championship by dumping the Bellaire Cardinals 26-6. The Rams led by quarterback Jimmy Sheffield, fought back from a 6-0 deficit to score their first touchdown on a pass from Sheffield to Gary Manuel, who literally took the ball away from a Cardinal defender.

The Rams scored again in the second quarter on a pass from Sheffield to Gary Doiron making the score 14-6. Waltrip ended the first half scoring on another Sheffield pass, this time to halfback Gary Armbrister, to leave the score at half, 21-6.

In the second half, the Rams sat on the ball most of the time and let their defense do the work of holding off Bellaire. Waltrip's final points came on a safety and a last quarter field goal by Richard Yaege, to make the final score 26-6.

The Rams came into the game with a 10-1 record while Spring Branch, Champions of 10-4A, had a 8-1-1 record. Waltrip opened the scoring in the first quarter to a 29 yd scamper by quarterback Jimmy Sheffield.

Richard Yaege added the point and the Rams led 7-0. In the second quarter Spring Branch came back on a sustained march eating up most of the yardage on the ground.

A trap-pass for the two points caught the Rams by surprise and the Bears led at half 8-7. Neither team scored in the third quarter and neither team threatened until late in the fourth quarter when Spring Branch tailback Jimmy Graf rambled 61 yards to paydirt to all but put the game on ice. Spring Branch scored again after intercepting a desperation pass to make the final score 22-7.

Sheffield and Williford led the Rams' offense while Frank Ditta almost single-handedly stopped the Bears on defense. However, the awesome power and quickness of the state-bound Bears was just too much for the Rams to handle.

J.V. Wins Zone Championship, Falls To Bellaire in City-Playoff

The 1966 football campaign proved to be a most successful one for Waltrip's Junior Varsity Football team.

Under the direction of Coach Martin, Coach Skaines, and Coach Winship, the Junior Varsity brought Waltrip its first JV Zone Championship. Led by a powerful offense, which scored over 40 points in a single game on two occasions, and a stout defense, which allowed a mere 14 points in district play, the boys showed that the Rams ruled high in Junior Varsity play also.

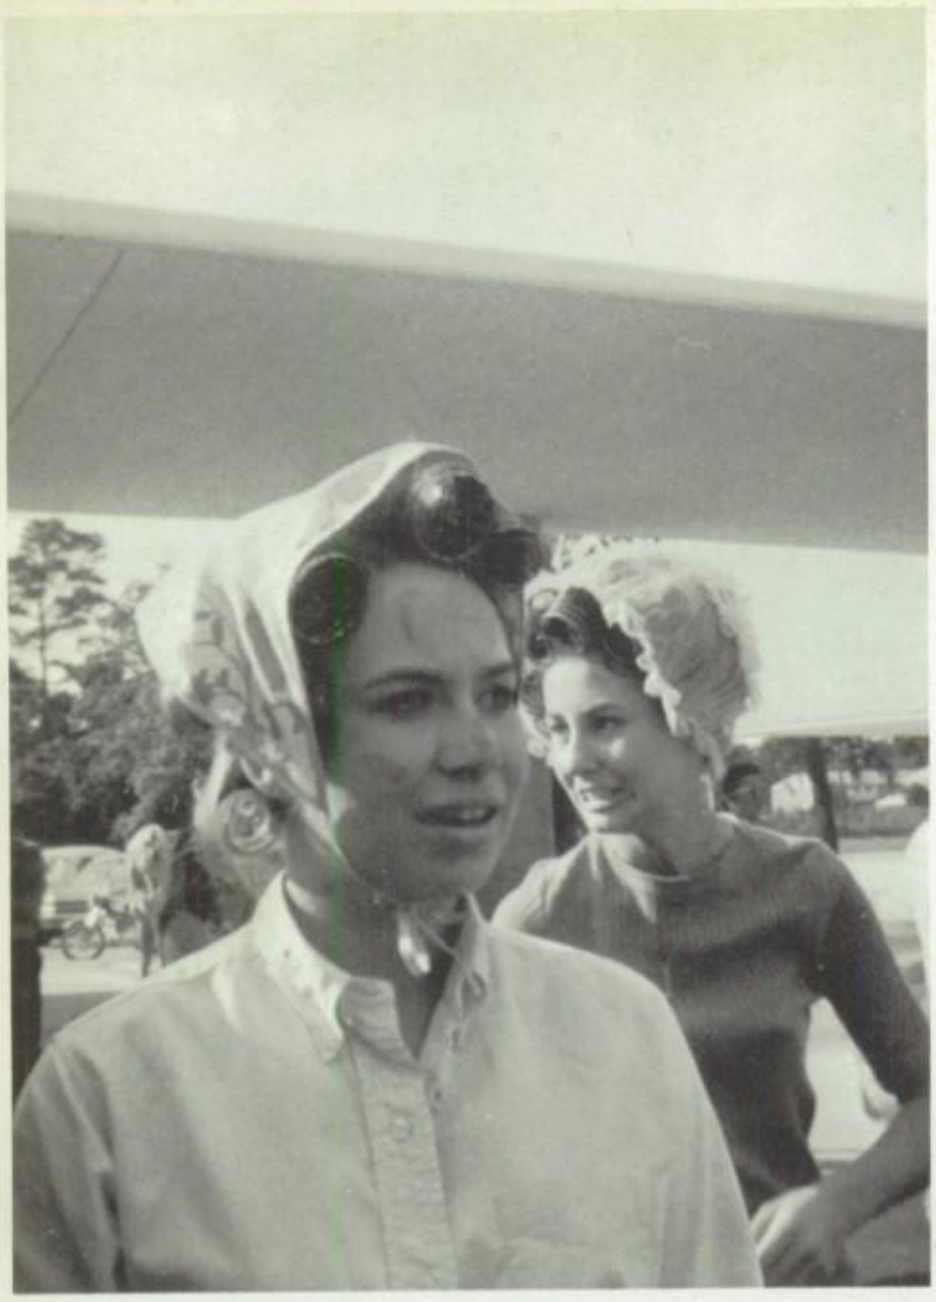
"A little louder. Fight!! Fight!! Fight!! Fight!!"

"It's not hard, Tommy. Just push the little button."

"No!! You can't ride him now, Ronnie. It's still my turn."

The city championship game proved itself to be a tense occasion for our cheerleaders.

Students Show Spirit In Many Ways



"Hurry up, Jaimie, do you want someone to see us looking like this?"

Sock the soldiers? We did.

Spirit rose to its peak during a crucial moment of the Lee game.

V.W.'s have everything, discovers Janie Gaumer.

Car painting played an important part in promoting spirit.

The victory line, led by cheerleaders Jane Grissom, Ginny Rabun, and Tina Reid, and formed by the Waltrip marching band, provided variety and Ram spirit.

The Red and Gray charged "all the way" to beat Lamar at the Homecoming Game.

Homecoming Highlights Football Season

Waltrip's 1966 Homecoming activities were highlighted by the crowning of Tina Reid, head cheerleader, as Homecoming Queen. The ceremony took place during half-time activities at the Waltrip-Lamar football game on Friday, October 28. First Duchess is Jane Grissom; second Duchess, Dianna Amason.

Coach Agleton and player Tommy Beckham watch intently during the game.

Queen Tina Reid beams with delight, following the announcement of her victory.

Tribune editor, Pat Cafferty, frugged the night away to the music of the Glass Kans, a local singing group.

Favorites Dance Sparks Holiday Season

The annual Waltrip Favorites Ball, sponsored by the Waltrip **Aries,** was held on December 3 in the school cafeteria. Entertainment was provided by the Glass Kans, a local group. The evening was highlighted by the announcement of the favorites. The Sophomore, Junior, and Senior favorites were announced. The Low and High senior finalists for Most Beautiful and Most Handsome climaxed the evening. The finalists then submitted photographs to be judged by Bob Hope.

"The Pajama Game"

The world renowned musical, "Pajama Game", was presented by the Waltrip Senior High School drama and musical departments on Friday and Saturday, January 20th and 21st in the S. P. Waltrip Auditorium. The play, a light, fast-moving comedy based on the book by Abbott and Bissell, was directed by Miss Lela Blount. Many hours of hard and tiring work must go into a production such as this and the cast, dancers, chorus, instrumentalists, production staff, and art students spared no effort. Much credit must go to the people who were behind the scenes: Director, Miss Lela Blount; Choral director, Mr. Norris Blevins; Choreographer, Vicky Swayze; Technical director and stage manager, James Townley; Costume designers, Kathie Bryant and Vicky Swayze; Crew heads, John Edwards and Byron Moore; Light design, James Townley.

Epilogue

Just as we seniors have met "crossroads" by following the "highways" through these school years, so may we now follow the "highway to success." These Waltrip years have challenged us. At the same time, however, they have afforded us the abundance on which to draw in future years. The 1967 ARIES staff hopes that this annual is an accurate representation of the freeways we have traveled together.

We follow this road only once, but success is sure if we "give, and give, and give again what God hath given."

Ellen Frazier
Editor-in-Chief

Well Frenchie,

We haven't seen too much of each other this year. How could you get along without the counseling of your Big Brother? I still haven't forgotten our many talks. During this coming summer and year, we will have to make a point of renewing the faith and fondness we had for one short, yet significant year. Of all things to remember in life, the most important is to be yourself. The fabulous charm you extend when you smile and the twinkle of your eyes is absolutely indescribable.

Be sure as you continue your work in journalism, that you are sure that it is the field you wish to follow. You certainly are talented and capable of anything you put your mind to. Keep smilin' always!

With deepest sincerity,

Jim Bartels

I have enjoyed having you in class. Keep your same spirit and you will succeed.
Best wishes - Barbara Stewart

Gail,

It's been pretty rough in both those M.W. classes but with you in there it sure made it a lot easier. A girl like you doesn't need luck to go far but good luck anyway.!!

Well Gail,

It seems like 2 years ago that we were in with Mr. Clanson. But I hope we can be as good of friends always as we were then. I always have thought you were great & always will. You're a really great girl.

Love ya'

Dearest Gail,

Dry dust in my crying heart will always shrink the memories of the times we've spent with you. So there! Love ya always and I wish you the best of luck and even more if you marry me!

Rockford Williford Laurese

P.S. Funny! You don't look ITALIAN!

Gail,

Then take me disappearing thru the smoke rings of my mind. Down the foggy ruins of time. Far from the reach of crazy sorrow.

Gail,

You can't possibly imagine how many mornings I was ready to start back to school as a freshman and become a doctor-until you carried me in 1st period. If I can ever help you in anyway, contact me and I'll guarantee my aid.

Grateful

(also known as Ernest Haynes)

Gail,
It's been fun knowing you for all these many years (especially summer '66) Even though you are a Catholic you are fine, beautiful & intelligent + skinny & Italian + we still got two years to go so I'll write some more next year!
Love, Marty

Gail—
Good luck in your future years. I'm sure glad that we are friends and I hope it always stays this way. You're the nicest and friendliest girl I've known.
Wally

Gail
It's been nice having you in our homeroom. Good luck through the upcoming years.
Tommy

Dear Gail,

I have missed you this year for it seems I never see you anymore. You are the prettiest girl in this school with a head on your shoulders, and I know you will achieve anything your really want, You have a charm which no one can ever hope to copy that comes through in the way you speak, dress, and write. Good luck in your chosen career, and I know I will someday say, "I once went to school with Gail Palermo". Love, Jane *Crum*

Gail,

Well, kid after four long years I finally get to tell you what I think about you. So hold on tight and "be prepared".

I really can't tell you in words how much your friendship means to me. From last summer and the summer before eighth grade, all the times we laughed and cried together. These I'll never forget. I hope you will always remember them too.

Gail, all I can say is you're really great and I love you like a sister.

Debbie

Gail, I guess we have known each other for a pre
ty longtime. You liked Joe and so did I and I
remember one time when you and I met some
younger boys at the local shaw, that was fun even
though I hadn't planned to sit with him. Also,
I want to tell you that you will make a good
Guard officer. Guard is great and I guess that
is why I don't fit in cause I'm not. You are,
and I hope you love Guard as much as I
did in such a short time. I guess if I kept
writing I could even cry. Gail, you have one
of the coolest girls I have ever known. You
deserve the best in life and I know that
you will work hard and get it because that's
just you. I wish I was like that, then maybe
I wouldn't be so sad. God Bless you. Love ya,

Pat Sipkin

To my favorite child, (?)

Well Gail we're finally thru our
first year at Waltrip, how about that.
Gail your friendship means quite a bit
to me and I hope it will continue.
Good luck always & may God bless you.

Love Ya,

Kerry

Plumo,

Well, Plumo, it's hard to put into words but in a general way: you are great! Gail, I used to didn't (get this English!) know you but we've been over this before so!

Hail, to a real nice personality & eyelashes (Pru always wished were mine. I'll never forget Physical Science class and Mr. Clawson (that's the only class I can remember) & fun in lunch / to have been loads of you being in my life).

Cheryl Felton

remember that I will remember, but always remember that I will remember, everybody's always remember that I will remember, but I will remember that I will remember, everybody's always remember that I will remember, but I will remember that I will remember, everybody's always remember that I will remember, but I will

(It's hard writing left handed on this page, believe me)

Dear Gail,

I don't know where to start. So many things have happened this year, its difficult to condense it into something to write in a yearbook. It has been a real experience coming to a new school, meeting new friends, besides getting accustomed to high school life. I remember the first impression I got of you. It was in Stu's room (a bad place to get a first impression) about a week after school started. We had had to write a short essay on anything we wanted to. I recall very clearly that you were very upset because you got a "B". your paper was about walking on the beach and looking back at your footsteps. Remember? I though "Gosh, what does she think she is." I thought you must be some way-out "Vietnik". Well, I've found out different since then. That bad first impression has changed, as you know. You are one of the most down to earth, sweet, sincere, and especially intelligent girl I've ever known. Undoubted, you've ~~made~~ had the largest ~~impression~~ effect on me, this first year here at Waltrip. I've appreciated all your help, especially in Spelling and Theme writing. Many things have added to our friendship, like: Peppermint Patty, all the football games, Mythology (Edith), Geometry, "The Shocker", the long quiet period, Short stories, Stu-Baby, Big Tom, Lara Koppy's, Mr Pickle & the Pickle theme, Typickle things in general, the plays, "operation austin, Cenest, "The Taming of the Shrew", the spring training football game, Biology tests, and many others. Thanks for all these memories and everything else. Good luck in journalism and Guard and everything you do.

Love,
Mark

Gail Palermo

Plummo:
My my what an honorable position.
I sit here and stare at the back of your neck and think: "what can I say? What is there to say that she doesn't know, that would be worth telling her?" Desolation is a terrible thing.
It has come to me. Like a X-mas present: Gail, never get hard. Never get cold and cruel and careless. Marry your starving poet and love him forever.
and never
get hard. Keep
your Lord good and holy and make people happy and always, forever
smile.

JEN

S.P. Wasn't going to get sentimental. But I guess I did. Inconsistant (but sincere) fool!

J

Dear Gail,
Love is the only thing in life that has lasting value. Any act done in love and for the ends of love will have a good effect. Remember in your quest for someone to love and care for that if you give your love to people it will be returned. The love of one human being for another is most sacred gift we have to give or recieve. If you give love, give it without reservation and with all your sincerity. When you recieve it, be glad and equally honest with that person and yourself. I hope that you will find your love and will not be hurt but if you are I beg of you - do not become cold. You have to much love within yourself to have it wasted because of one or two bad experiances. Love conquers(?) (sorry about that!) all!
